MISSION BRIEF:

The ship is preparing to leave port, the guest list is filling fast, and somewhere onboard a villain is hiding in plain sight.

On October 24, 2026, Meals on Wheels of Summerville invites you to step aboard Villainous Voyage in the Ville—an unforgettable evening of mystery, laughter, dining, and intrigue. In partnership with the Flowertown Players,

this one-of-a-kind immersive experience will bring a cast of suspicious characters to life as guests work together to uncover clues, solve the crime, and determine who among them is guilty.

But beneath the mystery lies something even more meaningful.

Every sponsorship helps Summerville homebound seniors and medically vulnerable neighbors receive nutritious meals, wellness checks, and compassionate connections that allow them to remain healthy, safe, and independent at home. While guests spend the evening solving a mystery, sponsors will be helping write a much brighter story for local families.

As a special feature of this inaugural event, every sponsor will be paired with a character in the mystery, with recognition throughout the evening and in the event program. The first ten table sponsors will receive exclusive character sponsorship opportunities, becoming part of the story itself while demonstrating their commitment to the neighbors who depend on Meals on Wheels each day.

Join us as we set sail for an evening where every clue uncovered, every laugh shared, and every sponsorship secured helps strengthen our community—one meal, one visit, and one neighbor at a time.
